## A.M.I.® Easy-Shears 5 mm

A.M.I.® Easy-Shears 5 mm are easy to handle and versatile in their usage, due to the 360° rotating shaft and bended scissor-blades for better visibility and dissection work.

Loading Units of your choice:

- **for multiple use,**

steam autoclaveable up to 10 times, cost-efficient decision between minimal costs and demanded cutting-performance

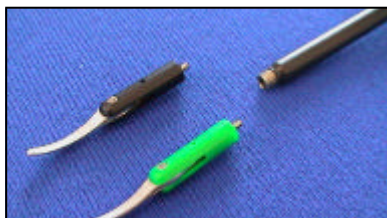

- **for single use only,**

whenever best cutting-performance is required.

The instrument is fully detachable and easy to clean.

The A.M.I.® Easy-Shear Instrument 5 mm is fully detachable.

The bended tips - sterile as single use or non sterile as semi-reusable loading unit.

The loading units are easy to put on the instrument.
